

## SHAKE IT WELL

Noted Authority Gives a Simple Prescription for Rheumatism and Kidney Trouble.

Tells the Readers of this Paper How to Prepare the Mixture at Home and Other Advice.

Now is the time when the doctors get busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that Rheumatism and Kidney trouble weather is here, and also tells what to do in case of an attack.

Get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a teaspoonful after meals and at bedtime.

Just try this simple home-made mixture at the first sign of Rheumatism, or if your back aches or you feel that the kidneys are not acting just right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of Rheumatism, which is caused by uric acid in the blood, which the kidneys fail to filter out. Any one can easily prepare this at home and at small cost.

Druggists in this town and vicinity, when shown the prescription, stated that they can either supply these ingredients, or, if our readers prefer, they will compound the mixture for them.

## PLAN TO FIGHT DISEASE

Druggists will Battle Stomach Troubles in Hillsboro.

The increase of stomach troubles in Hillsboro has led W. R. Smith & Co., to take effective measures to combat the disease. They have the local agency for Mi-o-na stomach tablets, and in order to induce people who suffer with weak stomach or indigestion to use the remedy, offer to supply it with the distinct understanding that money will be refunded in every case where it does not cure.

Mi-o-na is not a mere digestive, but an absolute strengthener and bulid-up of the whole digestive tract. If you suffer with headaches, giddiness, palpitation, bad taste in the mouth, nervousness, coated tongue, distress after eating, use Mi-o-na and see how quickly these symptoms of a weak stomach will disappear.

The remedy strengthens the muscular walls of the stomach and increases the flow of gastric juices so that the nourishment is extracted from the food and the refuse is expelled without the aid of purgative or laxative medicines.

Remember that W. R. Smith & Co., give a guarantee to refund the money unless it cures. They take all the risk, and there is no danger of your losing anything except indigestion when you buy a 50 cent box of Mi-o-na.

## DANGER OF CATARRH.

Unless Properly Treated With Hyomel, Becomes Serious.

Catarrhal troubles are far more dangerous than they seem at first thought.

If you have catarrh, there is an irritated state of the mucous membrane and weakened tissues which afford an ideal lodgment and culture medium for disease germs that you may breathe lodge on the diseased tissue and work destruction in the throat and lungs.

The easiest, simplest, quickest, surest and cheapest way to cure catarrh is by the direct method, breathing Hyomel. This wonderful medicated air treatment does not drug and derange the stomach, but is breathed in, directly following and destroying all disease germs that may have been inhaled.

The unusual way in which Hyomel is sold by W. R. Smith & Co., is the best evidence of their confidence in the treatment and should dispel all doubt as to its curative properties. They agree to refund the purchase price to anyone whom Hyomel fails to benefit, and you do not risk a cent in testing its healing virtues. A complete outfit costs but \$1.00 if it help you, not a cent if it does not do all that is claimed for it.
